TENNESSEE'AN

Now—a brand new value-packed, value priced line of levels designed and built to compete quality-for-quality and dollar-for-dollar with anything you've ever seen. Three new models in die-cast aluminum alloy. Plain and brass-bound wood levels. Each has the outstanding quality features you expect from Mayes. Man-sized hand-grips for faster, surer handling . . . precision milled edges and sides for extreme accuracy . . . solid-set Pyrex vials protected and sealed against moisture and dirt by heavy glass windows . . . shock-proof white plastic inserts for easier reading. And best of all each is fully guaranteed and stamped to let you know . . . *on the level—Mayes—means quality!*
